HISTORY

— 1987 —

A community tradition was born in 1987 when Friends of Shore Acres Inc. decided to "string a few lights" to help celebrate the holidays.

That first season, 6,000 miniature lights, one large Christmas tree, and the decorated and open Garden House drew 9,000 visitors.

Now, **at least 325,000 Lights** – both LED and landscape – thirty Christmas trees, dozens of lighted sculptures, performance pavilion, and the festive open house attract – on average – from 40,000 to 50,000 visitors each season.

Inside the Garden House, long scrolls of names pay tribute to the business supporters, members, and the more than **1,500** volunteers who make it happen for all to enjoy. •

Bellingham, WA - "Very well done! Butchart Gardens of Oregon"

Glenden Beach, OR - "Best in the Northwest"

Houston, TX - "Houston has nothing like this! Thanks y'all."

Madrid, Spain - "Amazing!!!"

South Africa - "Stunning and creative"

Tanzania - "Most beautiful garden on earth. Thank you!"

Woodbury, CT - "Awesome! We love this!"

— 2016 —

An estimated **50,896** visitors
27 Countries (Other than U.S.)

42 States and Washington D.C.

624 Cities, Towns & Areas:

221 Oregon • 142 California
70 Washington •

191 Cities, Towns & Areas from Other States

People from all over the world enjoy the holiday lights. Many return year after year to share in this wonderful community tradition. •
